Hi Folks.

I hope you are all enjoying the spring weather.

Jim and I drafted up some notes from the meeting that are attached. Please take a look at the notes and let us know if you would like to add or edit anything. The notes also include some brief post-meeting updates.

Please be on the lookout for a meeting invite for June 22, which I hope to send out shortly. It looks as though Richard Mach and Ed Hannon will join use for future meetings; I expect we will continue to have a healthy exchange of information and perspectives that will help us move things forward.

Enjoy the weekend.

Doug
